

I. Amendments to the Drawings

Replacement sheet 1 of the drawings, which includes changes to Figure 1, is attached.

Specifically, Figure 1 was amended by schematically illustrating a housing 40, which is supported in the specification at paragraph [0002] and therefore, is not new matter. This amendment was in response to an objection that the housing recited in claim 1, lines 4-5 must be shown in the drawings or cancelled from the claims. Accordingly, Applicants believe that this amendment has cured the respective objection.
